Attendance & Absence Policies

Regular attendance is essential for a student's social, emotional, and academic development. Establishing a consistent routine helps children build a sense of structure and responsibility while making the most of their preschool experience. Below are our policies regarding attendance, absences, and tardiness.

Attendance Expectations

- All students are expected to attend school regularly.
- Parents are responsible for ensuring their child arrives at school on time each day.
- If a child will be absent, parents must notify the school office by 9:00 AM.
- A minimum attendance rate of 80% per term is required for children to maintain their enrollment and promotion to the next class.

Chronic absenteeism (more than 10 unexcused absences per semester) may result in a review of the child's enrollment status.

Tardiness & Late Arrivals

- Children arriving 15 minutes late than the arrival time are considered tardy.
- Parents must sign in late arrivals at the school office before the child is escorted to the classroom.
- Frequent lateness (5 or more occurrences per month) may lead to a parent meeting to discuss solutions for improving attendance.

If a child arrives after 9:30 AM without prior notice, they may not be admitted for the day unless there is a valid reason (e.g., medical appointment etc.).

Reporting Absences

- Parents must call the school office before 8:00 AM to report an absence.
- If a child is absent for more than three consecutive days, a doctor's note may be required for medical-related absences.
- If a child is absent for more than two weeks without communication, their spot may be forfeited and given to a child on the waiting list.
- An application is mandatorily required upon return.
- Planned absences (e.g., travel) should be communicated well in advance for school approval.
- Missed work is the responsibility of the student to complete.
